## **FRONT DOOR FAIRWAYS 19th HOLE SPONSORSHIP FAQ**

**What is it?** - A new opportunity for a company or individual to participate in your event and invest in your cause through sponsorship. Much like you'd sell a title sponsorship or another contest sponsorship.

**How does it work?** - We set up our Mobile Simulator on either the 1st or 10th Tee or inside the clubhouse/event space. As event participants and guests get to take a swing at a Par-3 Closest to the Pin Contest for a chance to win great prizes. Make it more exciting by running a 'qualifier' and then bringing the top-5 closest shots back for a Shootout Finale! Or we can even integrate it into the team score at your event.

**Is there a fee?** - Yes, but the fee is covered in the the price of the sponsorship that you sell. Our fee varies depending on which simulator setup you choose and depending on the event location as there may be additional costs such as a travel & transport fees, tent rental if needed, or other expenses related to our activation.

**What should be the sponsorship amount?** - On average, most events sell the sponsorship between \$3,000-\$5,000. We'll help you determine that amount by looking at your event and the other sponsorships being offered.

**Who provides the prize?** - Your organization or the sponsor is responsible for coming up with the prize. However we have access to a lot of great golf gear and other prizes and can help you or the sponsor source something as well.

**Call or Email us today to discuss your event!**
